This is to certify that we have examined the books, vouchers, bank statements, and other financial records of the Selectmen, Town Treasurer, Town Clerk, Collector of Taxes, and Trustees of the Trust Funds of the Town of Croydon for the year ending December 31, 1970, and find them correctly cast and properly vouched.

REPORT OF POLICE DEPARTMENT

Since the Fall of 1970 when I took over the duties of Police Chief I have endeavored to update your police department.

The Town has furnished the Police Department with a radio which has enabled the department to keep in touch with State Police and, by way of relay, with Newport and all neighboring towns. We hope to add one more crystal in the radio to enable us to communicate directly to Newport.

I have worked closely with the State Police on breaks and entries, accident investigation as well as several other situations where help was needed. Arrests have been made by this department for D. W. I. and motor vehicle inspection violations. Warnings have been issued for speeding and other misdemeanors. Several highway accidents were investigated and results reported for disposition. I have investigated many complaints by town citizens.

I believe the strong point of the Croydon Police Force this year has been the consistent and methodical patrol of all areas of town. In this era of high crime rate, this persistence appears to have been very rewarding. The incidents of breaking and entering, burglary, vandalism and other misdemeanors have decreased this year in the Town.

I hope, with your help to continue this work for our Town.

Respectfully submitted,

OWEN PORTER, JR.

Chief of Police

The agency has sponsored Immunization Clinics about once a month except during the summer months. Last year 464 children attended the clinic. We have sent and received referrals to and from the Medicare intermediary. Blue Cross/Blue Shield, and the various Welfare Departments, both state and local. We refer patients to such services as Crippled Children Clinics in Claremont, Convulsive Clinics in Manchester, Mental Health Clinics in Claremont, Surplus Food Service, the Clothing Service, the Community Action Program and the Planned Parenthood Association in Lebanon. We also follow upon the state immunization records for each child advising those who are delinquent to see their doctor or come to the clinics. All the above are achieved to a large degree by way of consultations which are not counted as charge visits.

MICROFILMING

All of the permanent records of the Town and School District, now in the care of the Town and School Clerks, were filmed during the week of November 30th at the Town Hall, by the New England Archives Center of Holyoke, Mass. The Town Records are nearly complete with but a few inexplicable gaps such as four years of Vital Statistics during the Civil War. However, more than half of the School Records are missing. We had a total of 10 school districts in 1830 and it is understandable that these small books in private homes throughout the town have been lost, regrettable though it may be.

10,555 pages and a few maps were put on 8 reels of 35mm film. This film and a viewer will be at the Town Clerk's Office for immediate reference. A duplicate set of 8 reels will be stored temporarily at the First National Bank in Newport. This is for safe keeping and may be copied at any time should the need arise. I have been assured that the film, properly stored, should last 200 years. (I'll take their word for it.)

All of the following records were microfilmed: (The town was incorporated in 1763 and first settled in 1766)

REPORT OF THE GOOD NEIGHBOR CLUB

The Good Neighbor Club acknowledges with sincere appreciation the help given it by Croydon residents through their support of its civic, welfare and social activities during the year with donations, and by patronizing the annual bazaar held in July.

This valued support enables the club to give complimentary Thanksgiving baskets and cards to all senior citizens of Croydon and to gift more than a hundred children at the annual Christmas party at the Town Hall with presents, candy and fruit. All newly married couples are presented with a wedding gift and every infant born to Croydon parents is given a three dollar savings account. The ill, the shut-in and the bereaved receive cards and flowers. These items totaled \$468.58 last year.

Your support also enabled the club to buy a new film strip for the East Village school; sponsor a six-weeks ski project for Croydon young people at Sunapee State Park; underwrite insurance for two childrens' summer vacations at Camp Coniston; serve meals to the local election board and conduct a sewing project for the Newport Hospital.

The Good Neighbor Club now has a savings account known as The Greeley Fund, so named because it was started by Mrs. Robert Greeley and generously endowed by Mr. Julian Greeley and his family in memory of Ruperta Greeley. All cash donations received by the club, unless otherwise specified, are added to this fund so that at some date in the near future the interest may be used for the benefit of Croydon and its citizens.

Thus do the members hope to continue to merit your support and the name Good Neighbor Club of Croydon.

EAST VILLAGE CHURCH

The Croydon Congregational Church was reopened in June, 1970. The growth of our church has been steady since that time, with a total membership of 17. In November, 1970 the church welcomed six new members, and with the coming of spring, hopefully more will join.

Our minister, Mr. Arthur Kennan and his wife, live in Unity. Every Wednesday evening from 6:00 to 7:00 we have a bible study under the supervision of Mr. Kennan. Our Sunday Services begin at 9 A. M. and this is followed by Sunday School until 10:30 A. M. Amber Lurvey is the teacher of the primary level, and Mrs. Richard DeMayo is supervisor of the junior group.

In August, Mr. Kennan, with a group of young members, climbed Croydon's beautiful Camel Hump. We took our lunches and enjoyed a picnic there. Also in October the youth of the church under the supervision of three adults spent an evening with Mr. Kennan and his wife at their home in Unity. Mr. Kennan planned a treasure hunt which was followed by singing and games and supper. We all had a wonderful time.

The doors of our church are always open to welcome anyone wishing to attend.

CROYDON GIRL SCOUT TROOP #34

The Town of Croydon now has a combined Girl Scout and Brownie troop with a membership of sixteen girls. The Brownie level includes 7 girls from the first to the third grade and the Junior level has nine girls from the fourth to the sixth grade.

For the past three years the Brownies have been meeting every Monday afternoon at Mrs. Richard DeMayo's. The Junior girls who used to be included in the Newport troops now meet every Wednesday at Mrs. DeMayo's.

Periodically the girls sell calendars and cookies to help

raise funds for their troop. This money is used for the material they need for their projects, their pins and badges and for the mother-daughter picnic, which is held each summer.

The girls have done a great many projects including a clean-up day on the Turnpike Road, made favors for a mother-daughter banquet held in Newport, made holiday favors for the Ellen Davis boarding house of Newport and have made various items for their mothers and themselves such as candle center-pieces, piggy banks, felt pin cushions stuffed with rice, salt bead jewelry, dolls, door stoppers only to mention a few. We have holiday parties, celebrate girls birthdays, take nature hikes, and go on sleigh parties.

In the following year we hope to accomplish the following projects: To do something for the aged of Croydon, correspond with another girl scout troop from a foreign country, put on a community program and have a toy making project.

I wish to take this opportunity to thank the various mothers who have helped to make our troop meetings so successful.

REGULATIONS CONCERNING THE RENTAL OF TOWN HALL

When renting the Town Hall the fee has been established as \$10.00 in the summer and \$20.00 in the winter. For this fee the only facilities available will be the heat in the winter and water in the summer. This does not include the use of the stove, hot water or contents of the cupboards. The Good Neighbor Club will rent the use of a sixty cup dripolator, hot and cold water and the stove for a fee of \$5.00 providing a member of the Club is available to turn the gas and water on and off. One half of all fees received for this service will revert to the town to help defray expenses of the Town Hall. The contents of the cupboards and/or the refrigerator are not available under any circumstances for public use.

Parties renting the Town Hall are responsible for all janitorial services. In the event that the Selectmen do not feel that the hall was left in a condition comparable to that prior to renting, they shall engage a janitor and the charges for same shall be borne by the Leasee. The Leasee shall also be responsible for any and all damages incurred during the rental period by them.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Croydon:

MINIMUM STANDARDS

By action of the State Board of Education "September 1, 1972 is the effective date for schools to begin implementation of Minimum Standards and Recommendations for New Hampshire Elementary Schools for School Approval."

In order to comply, Croydon would need to add services in:

1. Music
2. Art
3. Guidance Counseling
4. Librarian
5. Physical Education

It is assumed that schools with small enrollments will join with other schools in sharing these specialized services. Next year we will be asked to provide a plan as to how and when compliance with the Standards will be met.

A sum of money has been included in the 1971-72 Budget for music instruction. If approved, this would indicate a start in one area of service not presently provided.

VILLAGE SCHOOL

Twenty-one students are attending Grades 1-3 under the capable guidance of Mrs. Ettabelle Lewis. We are fortunate to have her services.

Respectfully submitted,

GORDON B. FLINT

Superintendent of Schools
